EXPERIENCE THE VOYAGE

CORPORATE & PRIVATE EVENTS

Learn how you can use a vessel and crew that has provided award-winning programs for the past 20 years.

THE SHIPS

Irving Johnson and Exy Johnson

Launched in 2002, the twin brigantines *Irving Johnson* and *Exy Johnson* were designated the Official Tall Ships and Maritime Ambassadors of the City of Los Angeles. Measuring 90 feet, these identical, wooden tall ships were named after Captain Irving and Exy Johnson, sail training pioneers and seven-time circumnavigators with youth crew.

Boarding at Ports of Call Village, San Pedro, Berth 78, between the Fish Market and Ports of Call restaurant.

WELCOME ABOARD

Here's how you can support our youth programs and use our vessels at the same time:

A certain numbers of days are reserved each year for programs that provide at-risk youth with real-life challenges that develop knowledge, skills and attitudes needed to live healthy, productive lives. Since we currently operate two identical brigantines, we have open days for your adult group, organization or business to participate.

COSTS*

DAY SAILS (5 hours):	\$2,500.00
EVENING SAILS (3 hours):	\$1,700.00
OVERNIGHT VOYAGE (24 hours):	\$5,000.00
WEEK'S VOYAGE (5 days/4 nights):	\$20,000.00

*MEALS & BEVERAGES (EXTRA IF REQUIRED)

These costs represent our minimum "corporate" rates. Any contributions in excess of these rates are greatly appreciated and will be treated as donations for which a tax receipt will be issued.

WHO CAN ATTEND

You are welcome to bring a total of 40 guests (including yourself) on day sails or evening sails. On overnight voyages, we restrict the number to 30 to accommodate the sleeping arrangements.

All ages are welcome, but please advise us of any children under 90 pounds as they cannot wear adult lifejackets under Coast Guard regulations. We have a limited number of smaller lifejackets and can arrange for more as needed.

HOW TO BOOK

Call the Office at 310-833-6055 to discuss your requirements.

- We will check the dates and arrange for a schedule that best meets your needs.
- A Booking Agreement will be sent out confirming costs and dates, which will need to be signed and returned with a booking deposit.
- We encourage you to discuss with us any special needs, expectations and program requirements which will make this event as rewarding as possible.

LIFE ABOARD

When you become part of the crew aboard the *Irving Johnson* or the *Exy Johnson* you can decide how much – or how little – adventure you feel comfortable with. Our competent crew are there to show you the ropes, so be ready to climb a mast, take the wheel or grab a line! If you prefer, relax in a comfortable spot on deck and take in the awesome experience of a large sailing ship harnessing the power of the wind in her sails.

SPECIAL PROGRAMS

We are here to ensure that your sail with us is a unique and rewarding experience. Our ships are U.S.C.G. certified as both passenger and sail-training vessels. If you are looking for a real, nautical learning experience, we can tailor our expertise as trainers to your needs: seamanship, navigation, chart work, sail handling ... you name it, we can provide "hands on" education, which is the best kind!

If you are looking for corporate team-building, you may want to bring your own experts or rely on the low key training that sailing a large ship (with many lines!) provides.

Many clients simply want to reward staff or entertain colleagues. We can arrange catering or you can bring your own food and drinks ... the sea, the ship and the sails will do the rest.
